EXAMINER	DATE CONSIDERED

EXAMINER: Initial if reference considered, whether or not citation is in conformance with MPEP 609; Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant.

Information Disclosure Statement PTO-1449 (Modified)

The iderlification of any reference is not/intended to be, and should not be understood as being, an admission that such publication, in fact, constitutes "prior ant" within the meaning of applicable law since for example, a given reference may have a later effective date than first seems apparent or the reference may have an effective date than first seems apparent or the reference may have as later effective date than first seems apparent or the reference may have an effective deta which can be antedated. The form of status of any reference is a matter to be resolved during prosecution.
